Joseph Simmons is 13 years old and lives in London, England. He helps out at his local zoo once a week during the summer holidays. Joseph loves animals and when he leaves school he wants to be a vet. He also has many pets at home, including his dog, Sam.

Joseph thinks it is important to take care of animals and nature. "I also help out in my neighbourhood. At my local youth centre, we have programmes where we go around collecting rubbish and cleaning-up. Last month, I helped plant trees in the park". As well as helping out at the zoo, Joseph also makes time to study and hang out with his friends. "I like playing tennis and going to the cinema with my best friend Jason".

At the zoo, Joseph helps to feed the animals and clean out their cages. "There are some really good things about working at the zoo. I learn a lot about animals and I've made lots of friends who work there. I like meeting new people and telling them about the animals. When I am older, I would like to travel to Africa or South America and see the animals in the wild".
